TORO POWER CLEAR 821 QZE

Take on Old Man Winter's biggest punches with the Toro Power Clear 821 QZE Single-Stage 21 in. Gas Snow Blower. This machine is built to blast through the deep snow, with a 252cc 4-Cycle OHV engine that launches the white stuff up to 35 ft. or more. Putting snow where you want it is a snap with a quick trigger and fast-action quick shoot. Starts easily with electric start. Shred snow fast with the patented Power Curve system, while the Power Propel self-propel system gets you moving on quickly. You'll have more room for storage with the blower's compact design, and also peace of mind with Toro's full warranty, not just limited coverage.

PRODUCT DETAILS

- Electric start
- 252 cc Toro Premium 4-cycle OHV
- 21" clearing width & up to 35' throwing distance
- Ideally used to clear 3-9" of snow at a time on a driveway that can park up to 8 cars
- Powerful enough to handle big jobs but small enough for easy storage
- High capacity with Zip Reflector
- Quick Shoot™ Control lets you change the chute direction without slowing down
- Power Propel Self-Propel pulls the snowblower through the snow
- Power Curve® Technology cleans snow down to the pavement
- Toro® Premium 4-Cycle engines provide years of dependable and powerful performance
